## MYANMAR INTERNATIONAL SCHOOL YANGON

Established since 2009, MISY has been providing education for students from Early Years (Nursery and Reception), up to Year 11 (IGCSEs) and Year 13 (A Levels) for many years. At MISY we are proud to be home to a multicultural team of **Educators and Staff from 22 countries**.

In 2018, MISY expanded its presence with a sister school in Mandalay.

Our campuses have been **accredited by Cambridge Assessment International Education** since 2010 and therefore able to conduct Cambridge examinations on campus. We offer a **large range of IGCSE and A-Level subjects**.

In April 2025, MISY achieved International Accreditation from the **Council of International Schools (CIS)**, a globally recognized body that upholds excellence in international education. **MISY is the first and only school in Myanmar to receive international accreditation by CIS**. This is a mark of recognition held exclusively by schools around the world that exemplify high quality standards in international education.
